Team Representative Handbook

June 19 – June 26, 2014

Baton Rouge Soccer Complex

Dear Team Representative:

Welcome to Baton Rouge, Louisiana and the 2014 US Youth Soccer Southern Regional Championships. Each of you – players, parents, coaches and managers – has worked hard, made many sacrifices and shown great dedication to become Premier League Champions and State Champions thereby qualifying to attend this year’s Southern Regionals.

We applaud you and your team for demonstrating such a breadth of skill, dedication, and determination that place you among the top teams for 2014 in the US Youth Soccer Southern Region. You have now reached the next level of competitive youth soccer play, the U.S. Youth Soccer Southern Regional Championships.

Take time to enjoy the Baton Rouge area, and don’t forget the many hundreds of volunteers who have worked countless hours to make this week a special one for you. Please let them know how much you appreciate their hard work.

On the field, play hard and play fair. Obey the laws of the game, accept the official’s decisions, and give it your best. Treat your opponent with respect and dignity; remember they have worked hard to get here too.

We would like to give special thanks to all of our sponsors. We would also like to thank Louisiana Soccer Association and the Baton Rouge Soccer Club for sharing this great venue and their great hospitality. A final thank you goes to the US Youth Soccer national office staff that has worked for months to make the US Youth Soccer Southern Regional Championships a premier event.

Remember that regardless of the outcome of your games, you came to Baton Rouge a champion and will leave a champion. On behalf of the US Youth Soccer Southern Regional Championships Committee and myself have a great week, best wishes and good luck in the Championships, and most of all have fun!

With best regards,

Don Bohnet, Chairman
Regional Tournament Committee

- Assign you to a hotel and provide booking procedures. Teams are **REQUIRED** to stay in their assigned hotel; and
- Provide you with their contact information and any special instructions.

**YOUR STATE REPRESENTATIVE WILL BE YOUR PRIMARY CONTACT FOR ALL ASPECTS OF THE SOUTHERN REGIONALS TOURNAMENT**

Your responsibilities include:

- Reading this handbook in its entirety and sharing pertinent information with coaches, parents, and players;
- Ensuring all team members are aware of required attendance events, locations and times;
- Meeting all form deadlines as specified;
- Completion of required forms (located at [www.southernregionals.org](http://www.southernregionals.org) under team info);
- Registering your team;
- Familiarizing yourself with the US Youth Soccer Southern Regionals Rules, Safety and Emergency procedures; and
- BEING AVAILABLE AND RESPONSIVE TO YOUR STATE REP.
Team Representative Responsibilities

Welcome to the 2014 US Youth Soccer Southern Regional Championships. During your team’s stay, you will be the direct communication link between your team (including players, coaches, trainers, parents and spectators) and your State Rep. The State Rep will be your link with the US Youth Soccer Southern Regional Championships.

Communications with your State Rep

• Make sure that you know your State Rep and all of the responsibilities that they have for your team.
• It is important that you know how to contact your State Rep at all times. Your State Rep is the link between you and the tournament staff during the tournament, especially in an emergency or crisis.
• If you have any questions prior to or during the event, please go through your State Rep. Your State Rep will know who can best answer your question and get you a quick response.

Once my team has qualified for the US Youth Soccer Southern Regional Championships, what do I need to do as team representative?

• Contact your State Rep to get your hotel assignment. As the team representative, you will be the sole contact for your team.
• Review the information provided to you by the State Rep. There are several items that you will need to share with your players and parents in this team information.
• Please review all of the forms in the Team Information Notebook. Complete the forms and return them prior to the stated deadline. Enter player profile information into the American Eagle system by deadline.
• Submit names of team officials for Team Bench Credentials prior to deadline. Maximum of four per team.
• Check with team members and their families to place the orders for parking passes. One order per team, please. Additional passes may be purchased at Opening Ceremony and at the fields at a higher rate.
• Review the instructions for registration and make sure that you know your assigned time. If all of the information is complete and ready, registration should be a quick and easy process.
• Familiarize yourself and your team with the Regional Rules and Procedures available at www.southernregionals.org.
• Each State will be assigned a practice field(s). Contact your State Rep to schedule practice time for your team.

Once my team arrives in Baton Rouge, what do I need to do as the team representative?

• After checking into your hotel, please contact your State Rep and give them your room number.
• Go through all of your registration information one last time. If you have any problems, please let your State Rep know in advance so that they can assist you in taking care of the issue.
• Have a team meeting to make sure that everyone on your team knows when and where he or she needs to be. Opening Ceremonies is required attendance for all players and coaches.
• Get acclimated to the area and locate the venue for registration and your hotel.
• Arrive at registration **30 minutes** early and check in with your State Rep. All team representatives from your state must be present for your state’s registration to begin. Please do not come to registration without checking with your State Rep.

• If other teams from your club are also competing in the US Youth Soccer Southern Regional Championships, coordinate with their team representative confirming who holds the Release of Liability Form and pass for team officials. Only one bench pass credential will be issued to a team official. The credential will have the official’s club name and state — it will not be team specific. The officials’ US Youth Soccer pass will be attached to their credential. The game referee or Field Marshal may ask to see the pass to verify the identity of the official prior to granting access to the team bench area. A maximum of four (4) team officials with a bench pass credential from your club may be on the bench at one time. Worksheet available on page 26 to use as a guide for coordinating team bench pass requests for more than one team in your club competing.

• To add a Bench Pass after the deadline date of June 13th at team registration requires a $10 cash payment, coach/team official’s US Youth Soccer pass and signed Release of Liability.

• To add a Bench Pass after team registration requires an appointment with the Regional Tournament Registrar. State Rep is responsible for making the appointment and must accompany the coach/official to Tournament Headquarters. Coach/official must present their US Youth Soccer pass, sign a Release of Liability and pay the late fee of $10 cash.

• Please make sure to pick up pre-ordered parking passes before you leave registration. Individuals may also purchase parking passes at opening ceremonies and at the field, but are encouraged to purchase them through you at registration.

• Please make sure that you pick up your team’s goody bags as you leave registration. Pre-Ordered T-shirts will also be available at that time.

• Opening Ceremonies — Please familiarize yourself with the layout of the facility and know where your team is assigned to sit. Assist your coach in making sure the team is seated in the proper seats.

• Please keep your cell phone on at all times during your stay so that your State Rep can reach you.

**Once the tournament starts, what are my responsibilities?**

• Make sure that your team is at the proper field location and that your parents are aware of the NCS Policy and US Youth Soccer Southern Regional Championships Rules available at [www.southernregionals.org](http://www.southernregionals.org).

• Communicate daily with your State Rep.

• Review instructions for Safety and Emergencies with all team members and leaders.

• If a serious injury or illness occurs, dial 9-1-1. In the case of a less serious injury or illness, ask an event official to radio the medical team for assistance. Remain with the injured or ill person until you are relieved of duty or otherwise instructed by an event official. Immediately inform your State Rep.

• Respond promptly to calls and messages left on your cell or hotel phone.

**My team is in the Quarterfinals; what do I need to do?**

• Verify the day, time and field assignment for your team by contacting your State Rep.

**My team is in the Semi-Finals; what do I need to do?**
• Verify the day, time and field assignment for your team by contacting your State Rep.

**We just advanced to the Finals; what are my duties?**
• Verify time and field with your State Rep. Both teams will be required to attend the awards ceremony immediately after the conclusion of the finals match.
• Proceed as a group to the US Youth Soccer stage. Your State Rep and a volunteer will direct you to a staging area where you will wait with your team until called to the stage for the medal presentation.

**We are Regional Champions! What do I need to do?**
• Your State Rep. will meet you after your game to escort your team to the Awards Ceremony. Make sure that your team is properly dressed for the Awards Ceremony and the team pictures afterwards.
• There will be a table near the Awards Ceremony for you to meet with a tournament representative to pick up your team information for Nationals.
• You will receive information about travel arrangements for the National Championship Series.

The tournament committee and staff thank you for the time and dedication that you give as the team representative. We hope that you will enjoy your team’s experience as they battle for the right to be called **US Youth Soccer Southern Regional Champions.**

**Patch Placement**

**State Cup Champion** patches go on the **RIGHT** sleeve of the jersey, approximately 1” above the bottom edge of the sleeve.

If your team wins Regionals, **Region Champion** patches go on the **LEFT** sleeve of the jersey.

It is the responsibility of the State Association to enforce all sanctions levied on their teams, players and coaches.

C Hotels
Teams are required to stay in their states hotel cluster for the duration of their participation in the tournament unless authorized in writing by the RTC to relocate.

D Team Forms
Teams must complete all forms as required by the tournament and RTC.

E Late Withdrawal
In the event that a team withdraws from the tournament, a fine will be assessed as follows:

   a. 45 days from the beginning of the tournament - $750
   b. 30 days from the beginning of the tournament - $1000
   c. 20 days from the beginning of the tournament - $1500
   d. 15 days from the beginning of the tournament - $2000
   e. 10 days from the beginning of the tournament - $3000

The team’s State Association shall pay the fine to Region III. Fines must be paid prior to that state’s participation in the current Southern Regional Tournament.

F Team Rosters
All teams will submit a Regional Roster to the RTC within 48 hours of the Regional Roster freeze date.

G Game Rosters
Game rosters will be brought to the fields by the referees. The game roster will have a minimum of 7 and a maximum of 18 eligible players. Teams will designate their eligible players at the field.
H Registration

1. Team registration will be on the day prior to the start of the competition.
2. State registration time will be set by the RTC.
3. A team representative must register the team.
4. All teams must present required forms, completed as specified, and their US Youth Soccer player and/or coach passes. The passes must have a current photograph, and be properly validated. The passes must be laminated with a material that allows this information to be seen and allows the passes to be punched.
   Teams, players and coaches without their US Youth Soccer passes cannot compete in the Tournament.
5. Each player must have a current seasonal year, original Southern Regional Medical Release Form. State/club forms will not be accepted.
6. Every State Association must have a State Representative present at registration.

I Opening Ceremony

2. Players and their coaches are required to attend.
3. Players must be dressed uniformly.
4. Teams must be on time and remain for the entire ceremony. Any team leaving early will be fined $500.00. Fines must be paid prior to the start of the competition.

J Scheduling of Games

1. The RTC is responsible for developing the schedule of games.
2. The schedule will be posted 10 days before the competition. If teams withdraw prior to 14 days of the start of the competition, wildcards may be used as replacement teams.
3. If teams withdraw within 14 days of the start of the competition, teams may not be replaced.
   Scheduled opponents could receive a “bye game” during the preliminary round.
4. The best scheduling to ensure maximum rest for each team is to play one game per day. All teams are entitled to sufficient rest between games. If it is necessary to schedule two matches on the same day, four and one-half hours between the scheduled start of two successive games is considered to be sufficient rest.

Within the limits imposed by these rules and guidelines and by uncontrollable external conditions, the schedule is developed in an objective manner with no favoritism shown to specific teams or State Associations.
1.2 COMPETITION FORMAT

A Format

1. Round-Robin

   a) Wildcard teams may be used as necessary to bring age divisions to an even number of teams.
   b) Teams are not seeded. State Champions and Southern Regional Premier League teams are placed within the brackets by random draw, conducted at the US Youth Soccer Workshop.
   c) Each age group will be divided into three or four team sub-groups. The teams in each sub-group will play three preliminary round-robin games according to established matrices. Advancement to the quarterfinal or semi-final round will be determined as follows.

2. Quarter-Finals

   a) Quarterfinals will be played in divisions of 16 teams.
   b) Quarterfinals are single elimination format. Winners of the quarterfinal matches will advance to the semi-finals.
   c) If the score is tied at the end of regulation play, two complete overtime periods will be played at the end of normal playing time. The duration of the overtime periods will be two 10 minute halves for U13 and U14 and two 15 minutes halves for U15 and older.
   d) If at the end of the overtime periods a tie still exists, the game result shall be determined by the taking of kicks from the penalty mark in accordance with FIFA rules.

3. Semi-Finals and Finals

   a) Games are single elimination format. Winners of the semi-final will advance to the final match.
   b) There are no consolation games to determine 3rd and 4th place. The teams that do not advance from the semi-finals will be awarded 3rd place.
   c) In 12 team groups, teams from the same bracket, or teams that have already played each other in the round-robin will not play each other in the semi-final games.
   d) If the score is tied at the end of regulation play, two complete overtime periods will be played at the end of normal playing time. The duration of the overtime periods will be two 10 minute halves for U13 and U14 and two 15 minutes halves for U15 and older.
   e) If at the end of the overtime periods a tie still exists, the game result shall be determined by the taking of kicks from the penalty mark in accordance with FIFA rules.

4. Day of Rest

   a) U14, U15, U16, U17, U18 divisions will receive a day-of-rest prior to either their quarter or semi-final match.

C  Wildcard (see addendum)
   1. Age groups will consist of either 12 or 16 team divisions. To meet these requirements, wildcards may be added if necessary.
   
   2. One wildcard team per state, per tournament, will be selected unless no other state can fill the open slot.
   
   3. Procedure for wildcard selection:
      • State notifies the RTC that it will not be able to fill their state’s slot in an age group.
      • A wildcard may be selected to fill the open slot.
      • Order of selection of wildcards:
         1) Host state
         2) #1 state in random draw for gender group
         3) #2 state, #3 state, etc.

   A state may accept or decline a wildcard slot in either gender division, and the order selection proceeds. Pairings will not be changed to accommodate states. A state’s team and wildcard team may be in the same bracket.

D  Southern Regional Premier League
   In the U14-U18 age groups, the Southern Regional Premier League (SRPL) will receive four SRPL slots bringing the number of teams in these age groups to 16 teams.
   
   Pairings will not be changed to accommodate states. A state’s team and SRPL team may be in the same bracket.

E  Game Cards
   The official records of the tournament are the game verification report signed by both team officials at the field and the referee match report submitted to the RTC.

F  Game Balls
   Each team shall be able to provide a game ball at each game. The game ball for each age group must meet US Youth Soccer requirements. Once the game begins, a protest cannot be lodged because of an illegal ball.

G  Grace Periods
   Any team not ready to play at the scheduled start time shall be granted a fifteen (15) minute grace period. Any team not ready to play after this grace period has expired shall be reported to the RTC by the referee. The RTC shall decide when a forfeit is declared. A minimum of seven (7) players constitutes a legal team.
H **Home Team/Visiting Team**

The home team will wear light colored jerseys and socks. The visiting team will wear dark colored jerseys and socks. The team in the incorrect color will have to change.

I **Decorum**

Coaches are responsible for the behavior of themselves, their coaching staff, parents/spectators, and their players. Coaches and other team officials shall be subject to all rules pertaining to misconduct contained in this policy, including cautions, ejections and standard suspension. Any other individuals who may be reasonably construed as being associated with a team, such as relatives and spectators, are also subject to the jurisdiction and authority of US Youth Soccer and the Tournament.

J **Team and Spectator Location**

The teams will sit on the opposite side of the field from the spectators. Teams will be separated by the table/bench/chairs for the officials. Spectators are to remain on the half of the pitch across from their own team’s bench.

K **Team Bench and Sidelines**

1) Players and up to 4 club-specific credentialed team officials may be on the bench. The credentials will be issued at registration.
2) Non-game day rostered players may sit on the bench and must wear clothing distinct from game-day uniform.
3) Each team may order a maximum of four (4) bench passes.

L **Uniforms**

Each player must wear an official uniform with a number on the back of the jersey. Numbers are not required on goalkeeper jerseys. Duplicate numbers are not permitted.

At every level of the National Championships competitions, each player, team and team official may only have on his/her/apparel the name, logo, or other identifying mark of US Youth soccer or a member directly or indirectly of US Youth Soccer.

1) A name, logo, or other identifying mark of any youth soccer organization other than US Youth Soccer or its member must be removed, replaced, or covered before a player, team or team official may enter or remain at a field complex where the National Championships competition is being held.
2) After an initial warning pursuant to (1) above, the name, logo, or other identifying mark of any youth soccer organization other than US Youth Soccer or its member must be removed before the player, team or team official may enter or continue in the competition.

M **Equipment**

All players must wear shin guards.
N Player/ Team Official Passes

The referee will review all 18 player passes prior to the beginning of the game. Before each half, the referee or assistant referee (AR) will receive the player passes from a team official for the starting 11 players. When a substitute player enters the game they will hand their pass to the AR. Player passes will be returned to the team official after each half. Beginning with the quarterfinals, the fourth referee official will hold the passes instead of the AR. It will be the responsibility of the team official to obtain the passes at the end of the game.

Coaches must have their US Youth Soccer pass and Team Bench Credential on them at all times while on the bench.

If teams’ US Youth Soccer passes cannot be produced at the start of a game, the RTC will determine appropriate actions.

O Determination of Winners

1) Scoring Method in Round-Robin

In preliminary round-robin games, points will be awarded as follows:

- Win - 3 points
- Tie - 1 point
- Loss - 0 points

There will be no overtime played during the round-robin portion of the tournament.

P Advancement

The team earning the most points in each group will advance to the next round of the tournament. In groups of 12 teams, the team with the most points after the group winners are declared will advance as the wildcard. In groups of 16 teams, the teams with the 2nd highest points in each bracket will advance as the best 2nd.

In groups where crossover games are scheduled, only the game points earned within the bracket will count in determining the bracket winner. To determine the wildcard team all game points earned, including crossover game points, will count.

Q Tiebreakers

1. In the event that teams are tied on the basis of points, the following tiebreakers will be considered in order until the tie is broken:

   a) Winner of head-to-head competition. (This criterion is not used if more than two teams are tied.)
   b) Most wins.
   c) Team with greatest net goal difference (NGD), which is computed as ‘goals for’ minus ‘goals against’ with a maximum of 4 NGD in each game.
   d) Team with least goals against (there is NO limit on the number of goals that will be counted to determine this tiebreaker).
   e) Team with the most goals (maximum of 4 goals in each game).
   f) Kicks from penalty spot per FIFA Laws of the Game.
2. If more than two (2) teams are tied, the sequence will be followed until a team is eliminated. The remaining teams will then restart the sequence at Q 1.b) above, until the tie is broken.

3. If three teams are still tied after computing the listed tiebreakers and FIFA kicks have to be taken, there will be a draw by the Region III Tournament Committee. The first team drawn will receive the bye; the next team drawn will be the home team against the remaining team in the first contest of FIFA kicks. The winner of the first contest will then compete against the bye team in FIFA kicks to determine the winner. The bye team will be the home team.

4. If four teams are still tied after computing the listed tiebreakers and FIFA kicks have to be taken, there will be a draw conducted by the Region III Tournament Committee. The first team drawn (home team) will compete against the 2nd team drawn (away team) in the first contest of FIFA kicks. The third team drawn (home team) will compete against the fourth team (away team) in the second contest. The winners of these two contests will then compete to determine the winner. The winner of first/second draw will be the home team.

The same tiebreakers will be used to determine wildcard teams.

R  Forfeiture Rule

In the event a team in round-robin competition forfeits any match, the official game scores for all of that team’s games will be recorded as 4-0 losses. A team that forfeits a match will be considered to have withdrawn from the tournament.

S  Unfinished Games

Unfinished game due to any cause shall be replayed providing neither team is at fault and play has not begun in the second half. If play is stopped after completion of the first half, and cannot be resumed as determined by the Region III Tournament Committee (RTC), and provided neither team is at fault, the RTC may deem the game complete. Should play be stopped at any time due to one of the teams being adjudged at fault, it shall be at the discretion of the RTC as to whether the game is to be replayed, stand as is, or declared a forfeit.

T  Terminated/Suspended Games

Once play has begun, games may only be terminated/suspended by the RTC or his/her representative.
1.3 Ejections

A Player Ejection:

1. Either a credentialed team representative or State Representative must escort a player who is sent off from the field to the designated red card holding area.
2. The player’s pass, together with the referee report, shall be turned over to the RTC or his/her designee by the referee.
3. The minimum penalty for an ejection is that the player shall not be permitted to play in the immediate next competition match of his or her team. This penalty may be increased at the determination of the Region III Conduct Committee.
4. Any appeal of an increased suspension by the Region III Conduct Committee must be submitted in writing to the Region III Appeals Committee within two hours of notification of increased suspension.
5. If the team of an ejected player allows the player to participate in the game he or she is to be sitting out, that team will automatically forfeit the game.
6. A player is allowed to serve their suspension at the game on the team bench, provided they are not in uniform.
7. A member of the RTC or their designee shall notify the player’s State Representative of the send-off. The player’s pass shall be returned to the State Representative following the disciplinary period.

B Coach or Credentialed Team Representative:

If a coach or credentialed team official is ejected from any game, they will be escorted by the State Representative out of sight and sound of the field and may not coach another team during the time slot for which they were ejected. The ejected coach or credentialed official may not be in sight or sound of the field while serving their suspension.

The minimum penalty for an ejection is a one game suspension to be served in the next US Youth Soccer National Championship Series game played by the team where the ejection was received. The penalty may be increased at the determination of the Region III Conduct Committee. Any appeal of an increased suspension must be submitted in writing to the Region III Appeals Committee within two hours of notification of the increased suspension.

Any other individuals who may be reasonably construed as being associated with a team, such as relatives and spectators, are also subject to the jurisdiction and authority of US Youth Soccer and the Tournament.

C Player and Coach Suspension

Any player, coach or bench personnel who have been suspended may appeal the decision to the Region III Tournament Appeals Committee. This appeal must be made within two hours of notification of the suspension.

D Substitutions

The number of substitutions shall be unlimited for U13 and U14.

For all other age groups, a maximum of 7 substitutions for each team shall be allowed in each game during each half of play and during overtime play. After leaving the game during a half of play, the substituted player may not re-enter the game during that same half of play. After leaving the game during overtime play, the substituted player may not re-enter the game. Substitutions may be made with the consent of the referee, at the following times:
1. Prior to a throw-in in your favor.
2. Prior to a goal kick by either team.
3. After a goal by either team.
4. After an injury by either team when the referee stops play.
5. At half time.
6. When the referee stops play to caution a player, only the cautioned player may be substituted prior to the restart of the game.

E Player Equipment

The referee is the sole judge of allowed player equipment as prescribed by the FIFA Laws of the Game.

1.4 PROTESTS

All questions relating to the qualifications of the competitors or interpretation of the rules, or any dispute or protest shall be referred to the Region III Tournament Protest Committee.

A Validity

To be valid and eligible for consideration:

1. All protests relating to the ground, goal posts, bars or other appurtenances of the games shall be entertained only if a written objection has been lodged with the referee and the opposing coach prior to the start of the game.
2. All protests must be filed in writing with the Chair of the Protest Committee or his/her representative within two hours of the completion of the game in protest and must include:
   1. A fee in the amount of $300. This fee may be in cash, cashier’s check or money order. Personal checks will not be accepted. Checks or money orders must be made payable to US Youth Soccer Region III.
   2. Full particulars of the grounds on which the protest is lodged.

B Timing

1. Game situations
   Notification of protest must be received by the chair of the Protest Committee or his/her or designee within two hours of the completion of the game being protested.

2. Non-game situations
   Notification of protest must be received by the chair of the Protest Committee or his/her or designee within two hours of completion of the last game in the bracket or division in question, whichever is latest.

C Procedures

The committee shall immediately upon the receipt of a protest notify the team against which the protest is made and shall give a copy of the protest and all particulars to that team, which will then have the right to defend its case, with or without witnesses. A written response must be made within 2 hours of notification.
A plea of ignorance to the rules and policies of the US Youth National Championship Series and/or the US Youth Soccer Southern Regional Championships is not sufficient grounds for protest. Judgment decisions of the referee are not subject to protest.

The committee shall compile the necessary information to hear the protest from all available sources, before the protest is heard. This shall include, but not be limited to, coaches, field marshals, referees, assessors, witnesses if necessary, etc. All materials will be treated with confidentiality.

After compiling the necessary information, the committee will meet to conduct the protest hearing. The decisions of the committee shall be binding on all parties.

The Region III Protest Committee will notify the parties of the committee’s decision.

1.5 APPEALS

The decisions of the Tournament Committee and the Tournament Conduct and Protest Committees may be appealed to the Tournament Appeals Committee. The appellant shall bear the burden of showing that the decision being appealed is clearly erroneous. No new evidence may be presented to the Appeals Committee unless circumstances have materially changed, or new facts are discovered that were unavailable at the time of the original hearing.

1. An appeal must be filed in writing with the Chairman of the Appeals Committee or their representative within two hours of notification of the Conduct or Protest Committees decision and include:
   • A fee in the amount of $500. This fee may be in cash, cashiers check or money order. Personal checks will not be accepted. Cashiers checks and money orders must be payable to US Youth Soccer Region III.

2. Ignorance
   • A plea of ignorance to the rules of the competition is not sufficient grounds for appeals or protests.

3. Judgment decisions
   • Judgment decisions of the referees are not subject to appeal or protest.

1.6 LAWS OF THE GAME

Except as otherwise provided herein, the rules of US Youth Soccer and FIFA Laws of the Game shall apply.
Wild Card Draw Addendum  
(Adopted by Presidents 1/17/2014)

One wildcard team per state, per tournament, will be selected unless no other state can fill the open slot.

Procedure for wildcard selection:

- State notifies the RTC that it will not be able to fill their state’s slot in a gender group.
- A wildcard may be selected to fill the open slot.
- Order of selection of wildcards:
  1) Host state
  2) #1 state in random draw for gender group
  3) #2 state, #3 state, etc.

Wild Card Slot #1:

State informs RTC they cannot field a team in a gender (age group does not matter)

- RTC will contact the Host State and offer them the slot;
- Host State can fill the slot;
- Selection complete.

Wild Card Slot #2:

State informs RTC they cannot field a team in a gender (age group does not matter)

- Since the Host State accepted Wild Card slot #1, the State listed #1 random draw is offered the slot and accepts;
- Selection complete.

OR

- #1 in random draw cannot fill the slot, continue to #2 in random draw;
- #2 does not accept;
- #3 does not accept;
- #4 DOES accept;
- Selection complete.

Wild Card Slot #3:

State informs RTC they cannot field a team in a gender (age group does not matter)

- Draw continues from the last “accepted” slot and #5 in the random draw is offered the open spot;
- And so on...

After the entire draw selection has been rotated thru, start at the top with the order of selection, and those states who could not fill the initial slot offered, are given first chance at the open slot. No state may accept a second wildcard slot until all other states have refused the option.
